Open Day: Sat 27th Feb 6-9pm

A great night for visitors and members!

Open Night Sat 27th Feb 6-9pm.

A Social night for Members and visitors

The Open Night is as much for our members as it is for visitors and prospective new members! This year FREE entertainment includes LIVE music with Brent Duxbury, Face Painting by our resident expert Heather Bourke, and much much more!

No need to bring your racquet - just relax and enjoy!

Or bring your racquet and enjoy social tennis, fastest serve competition, or try your luck against the ball machine!

The bbq will be running hot, so either bring your racquet or just lounge in the upstairs bar area - either way make sure to **bring your FRIENDS.**

If you can also spare an hour or so to help on the night, to tell all our visitors what the club offers, please phone Meredith: 0400 226 408 or add your name on the list in the club!

This event is for the entire FAMILY !

Court reconstruction update

At last year's AGM, we announced plans to carry out court reconstructions this year. We are currently working on this with Manningham City Council, with a target mid-year commencement date. The plan is to rebuild Courts 1, 2, 3, & 4. Courts 3 & 4 to be completed first, closely followed by courts 1 & 2. All four courts will be rebuilt with en-tout-cas.

Your convenors will be able to answer any questions about any possible impact during the coming seasons.

Mid Week Ladies - Winter season open NOW

Ladies, I know its hot but we are now taking names for the Winter season.

Please add your name to the list asap. **Entries close with us Friday 26th Feb!**

This summer season we fielded 6 teams Sec 1, 2, 3, 4, 6 & 8. Please ask your friends if they would like to play comp with us. We strive to place anyone who wants to play in a team. Information about our team selection process is available on the Mid Week Ladies board - but if in

doubt - talk to Meredith 0400 226 408

Working Bee Sat 27th Feb 5 pm till 9.30 pm approx. (or part there of – min 3 hours of active assistance to receive the rebate). Our Club Open and Members night is an official Mid Week Ladies working bee. Assistance will be

required in the kitchen, as court captains (bagging and watering courts), meeting and greeting visitors, and helping to inform all visitors about the club and all we have to offer and other jobs as required. Please let Meredith know if you can help.

Mid Week Ladies Committee

At the AGM in May/June, the new MWL committee will be formed. All positions, including the Convenor position will become vacant. We welcome expressions of interest across all teams as it is important to have representation from all grades during team selection.

Our sub-committee usually meets twice during team selection (summer and winter = 4 meetings approx.), and then twice again during the organising of the annual Christmas luncheon.

We seek participation of ladies who are willing to be actively involved and can attend all meetings where possible. Access to email and text message is helpful as most communication is conducted between meetings via these methods.

Members of the sub committee receive a \$30 discount from their membership fee. This deduction only applies once and is not additional to any working bee you may attend. (ie. You only receive the discount once per year)

Enjoy your tennis!

Coaches Corner - Pro Tennis Academy

Term 1 is always a hive of activity after such a successful summer of Australian Tennis. There were numerous ways of participating in the Summer of Tennis.

At Pro Tennis Academy we saw tournament players, ball boys, university/high school students working summer jobs, linesman, spectators at The Kooyong Classic and The Australian Open at Melbourne Park. We also saw kids practising with families and friends or attending holiday programs. We congratulate each and every one of them and we hope their love of tennis continues to grow.

Ten of our Hot Shot kids were lucky enough to be invited to Hot Shots on court at The Australian Open. The children were lucky enough to play on Australia's biggest stage Rod Laver Arena. The lights, the music, the LED screens, the parents sitting in the Presidential lounge seats and

our Hot Shot kids running around on centre court hitting tennis balls – it was a

great day, a day the kids will remember for a lifetime.

Term 1 at Pro Tennis Academy sees the introduction of a **Mum's and Bubs Class**, a Thursday evening **Adult Group Session** and a Tuesday after school **squad session for the kids**, promotional activities include Free **Kinder Kidz** and **Hot Shot** sessions starting the week of Feb 15, Free first lesson for the **Ladies Morning** and a Free trial sessions to the Tuesday **Cardio Tennis** Class.

We are also running the coaching clinic during the Open Night!
